Our eSafety Top Tips!

- 1** People you don't know are strangers. They're not always who they say they are. 
- 2** Be nice to people like you would on the playground. 
- 3** Keep your personal information private. 
- 4** If you ever get that 'uh oh' feeling, tell a grown-up you trust.

Number Day 2024

We are delighted to be supporting the NSPCC by taking part in Number Day on Friday 2 February 2024.

We are taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. You could design a unique t-shirt, hat or even become a human-sized calculator or dice.

To help raise money for the NSPCC, we are asking for donations, and we'd love everyone in the school to take part in this special event.

Children's Mental Health Week (Place2Be)

This runs from 5-11th February and the

theme for 2024 is 'My Voice Matters'. The aim is to enable all children to feel their opinions are important. To help promote this message, School Council are working on an assembly which they will present to the school on the Friday.

Children will spend some class time during that week giving our pupils the opportunity to have their voice heard. School Council will create a display titled 'Our Voice Matters' using some examples of students' work. Junior pupils will work in groups to come up with a presentation about what they like/ dislike about school.

The ideas generated from this will then be looked at by School Council to see if there are any improvements which can be made around school.

Dates for your diary:

NSPCC number day—2nd February

Children's mental Health Week begins Monday 5th-11th February

Safer internet Day— 6th February

Friday 9th February 2023 – School closes for half term
