## ONLINE SAFETY

In school we work consistently to educate the children of the risks posed by inappropriate use of social media but ultimately we cannot control what they are allowed to access at home.

Pupils in primary school should not have their own social media accounts. Their devices must be closely monitored at home.

## ATTENDANCE

The local authority will be monitoring attendance very closely this year. Your child must be in school at all times. Holidays will not be authorised and **we strongly advise against** taking them in term time. Lateness is also something we must improve. Regular lateness accumulates many lost minutes of teaching time and affects attendance. Lessons start as soon as the children enter school.

OPENING TIMES AND ATTENDANCE - slight change please read!

School doors open at **8.40am** (children are expected to be in class for **8.45am**) and school will finish at **3.15pm**. This slight change brings us inline with national requirements.

**THIS WEEKS ATTENDANCE IS 94%**
