## Children's Mental Health Week

This will take place from **6-12 February 2023**.

This year's theme is Let's Connect.

Let's Connect is about making meaningful connections. Human beings thrive in communities, and this connection is vital for our wellbeing. When we have healthy connections to family, friends and others this can support our mental health and our sense of wellbeing. And when our need for rewarding social connections is not met, we can sometimes feel isolated and lonely which can have a negative impact on our mental health.

As parents and carers, you play an important role in your child's mental health.

Check out our official free resources for families below.
