

What should I already know?

- There are different types of toys that move in different ways.
- Able to name and **describe** some materials.
- That people who are older than me (parents, grandparents) were born before me, in the **past**.

Historical Skills and Enquiry

- To sort toys into the **past** and **present**, putting them in chronological order.
- To explain **differences** and **similarities** between toys from the **past** and **present**.
- To understand that some toys from the **past** are still played with.
- To ask appropriate questions about toys.
- To use adjectives to **describe** toys and understand how the materials have changed.
