Attendance

The local authority is monitoring attendance very closely this year. Holidays will not be authorised and **we strongly advise against** taking them in term time. Any holidays taken along with your child's overall attendance now need to be reported to the local authority and they assess on a case by case basis whether a fine should be issued.

Lateness is also something we must monitor. Regular lateness accumulates many lost minutes of teaching time. Lessons start as soon as the children enter school - 8.40am.

THIS YEARS ATTENDANCE TO DATE IS 93%

Online Safety

In school we work consistently to educate the children of the risks posed by inappropriate use of social media but ultimately we cannot control what they are allowed to access at home.

Pupils in primary school should not have their own social media accounts. Their devices must be closely monitored at home.
