

Newsletter 16th September 2024

Welcome back!

We have had a super busy start to the term. The children are settling into their new classrooms and routines well. We have welcomed lots of new faces this term which has been lovely and our children are enjoying making them feel welcome. Please make sure you read emails sent from school so you don't miss any information. Please check the calendar on the website regularly.

Baby and Toddler Group

Toddler group restarts this week! We can't wait to see you. Every week will have different themes and experiences for the children and it is a wonderful way for the children and parents to socialise and have a cuppa and a cake! It is also a great opportunity to meet our Early Years staff and make connections before your child starts school with us.
