Our adventures

We have been having so many wonderful adventures in Early Years this half term. We are so proud of each child and the learning that has been taking place. We have been very busy taking part in World Bee Day, VE Day, learning about animals, traditional tales and the artist David Hockney! We have also taken advantage of the wonderful weather and taken part in lots of outdoor learning!

Key Dates

Playgroup—our playgroup will begin again on Friday 6th June and takes place every Friday from 9.15am-10.30am. Please invite anyone who may be interested!

Walby Trip—our trip to Walby Farm Park for Nursery 2s and Nursery 3s will be on Friday 11th July. The bus will leave from the bottom of the school lane at 9.15am.

Fun Day—a fun day for Reception and the rest of the school will also take place on the 11th July!

End of term—school will finish on the 18th July. Nursery will finish at 12pm and Reception at 1.15pm

Beach Trip

Reception had the best day during their trip to Blue Dial Farm at Allonby. They started off with a tour of the farm, looking at the cows and them being milked then their calves and some goats. They had a snack break where the children sampled some of the milkshake from the farms vending machine. After snack they had a play on the park followed by lunch. After lunch the children went to the beach where they had a scavenger hunt and used buckets and spades to dig and explore!

What a wonderful day exploring. Well done to the children for their excellent behaviour. You made us very proud teachers!

Early Years Summer 1 Newsletter

World Bee Day

Our Early Years children have been celebrating World Bee Day! They have learned about why bees are so important and how we can look after them, as well as some very interesting facts! The children have taken part in range of activities including looking at honeycombs and hives, painting and drawing bees, making honey sandwiches and science experiments which explore pollen!

Home Learning

We would love to see some home learning taking place over the holidays! Could you go on a make a den or practice your writing skills? If you pop your pictures on Tapestry we can use these for discussions next term!

Spare Clothing

Please ensure your child is sent to school with a full set of spare clothes: trousers/ shorts, t-shirt, socks and underwear.

We would also like to kindly ask for donations if anyone has any of these items that are unwanted!

VE Day

The children learned about and celebrated VE day! They created their own flags and enjoyed a tea party!

Important Reminder

Now that the weather is getting warmer please can we remind parents/carers that children should come in to school with a sun hat and suncream. We ask that you please label the suncream with their name

Please can you also ensure your child brings a water bottle and full set of spare clothes to school each day.

Thank you!
