Welcome Letters

Keep an eye out for a welcome letter from your child's new teacher before they leave for the summer holidays!

End of Year

On behalf of all of the key stage two staff team, I'd like to thank all of the children for their hard work this year. The current year 3s will no longer be new to the juniors next year, and the current year 6s have done a great job with their SATs (year 5s—it's your turn next year!). I'd also like to thank the parents for all of your support throughout the school year: your contributions to trips, your help with sports events and your communication with staff and children are essential for us as a school and we appreciate the efforts you also put in. A successful school journey for children requires teamwork, support and communication between everyone, and we hope that we can achieve the same next year. I hope the children have a lovely, well-earned break and we look forward to seeing them in September in their new classes with their new teachers! Happy holidays!
