REMINDERS

Please regularly check your emails for information about events in school, we do not always send text reminders.

ATTENDANCE

The rules around attendance are set by the government, as a school we must adhere to them. We don't set the codes or categories as an individual school. If your child is ill it will be coded as such but this still affects attendance as they aren't in school. We read lots of comments from parents about what school should or shouldn't do when it comes to absence and the simple answer to this is we must follow government guidelines, we cannot change them.

Attendance Ladder

How close is your child to 100%?

0 days off school	100%	Perfection
Equates to 2 days off school each year	99%	Excellent
Equates to 5 days off school each year	97%	Good
Equates to 10 days off school each year	95%	Slight Concern
Equates to 20 days off school each year	90%	Concerned
Equates to 30 days off school each year	85%	Very Concerned

Children's Mental Health Week

This will take place from **5-9 February 2024.**

Children's Mental Health Week was launched in 2015 and each year, hundreds of schools, children, parents and carers take part. Now in its 10th year, our theme is 'My Voice Matters'.

As parents and carers, you play an important role in your child's mental health.

Check out our official free resources for families below.
